

Crucify Him

Passion story,
multiple readers;
observers get to say
'Crucify him.'

(They never shout.)
Have you ever
shouted it?
Does it make you feel
uncomfortable?

Kill him?

How did you feel
when Bin Laden
was killed?

How do you feel
when they execute
a death row inmate?

How do you feel
when someone
who has wronged you
gets 'it'?
(Whatever 'it' is – justice?)

How is this any different?
What you do to the least...
